

Part n°	201325
Product name	ekey dLine fingerpr. scanner control unit cable CU
EAN code	9120068256247
Customs tariff number	8544 4290
Weight:	0.046 kg

The ekey dLine fingerprint scanner control unit cable is a separable data and power cable that is ready to plug in with a plug for the ekey dLine control unit and an M5 jack. This cable can be used to connect the ekey dLine fingerprint scanner with the ekey dLine control unit and facilitates mounting in door handles. For a complete ekey dLine fingerprint scanner control unit cable, you must combine this cable with a second one that has a plug for the ekey dLine fingerprint scanner and an M5 plug. The maximum cable length must not exceed 5 m. The ekey dLine fingerprint scanner control unit cable is an optional accessory part.

Technical data

Operational data	
Minimum operating temperature:	-40 °C
Maximum operating temperature:	80 °C
Maximum humidity:	90 %rel

Cable	
Cable type::	M5 sensor cable
Cable length:	3 m
Number of cores:	4
Core cross section:	0.08 qmm
Core resistance:	0.15 Ohm/m
Stranding:	None
Sheath material:	PVC
Sheath diameter:	3 mm
Isolation voltage:	300 V
