

## Data sheet

Thursday, 04/01/2021

Part no.	101742
Product name	ekey PS OM 230 VAC/24 VDC/1.1 A Power supply, outlet-mounted
EAN Code	9120068250641
Customs tariff number	8504 4090
Weight	0.2 kg

The ekey power supply outlet-mounted supplies ekey devices with the electrical power they need, with an input voltage of 230 VAC, an output voltage of 24 VDC, and an output current of 1.1 A. This power supply is intended for use in both domestic and business applications. The ekey power supply outlet-mounted is designed for fixed flush-mounting installation on immobile components, such as flush mount back boxes, and for use in protected interior areas.

## Technical specifications

### Operating data

Supply type	AC
Max. humidity	90 %rel
IP code	IP00
Line frequency	48 63 Hz

### Mechanical data

Makeup	Outlet-mou
Mounting type	Outlet-mou
Surface	Uncoated
Color	Black

### Voltage output

Voltage type	DC
Rated voltage	24 V
Rated current	1100 mA
Rated power	26 W

---

Minimum load	0 mA
Protection class	2

---
